

# The State-of-the-Art Gymnasium Complex will in Spring 2018 to Create the New, Enriched Kurume Sports Complex.

Over the years, Kurume Sports Complex has hosted numerous athletic competitions with tense, exciting, and dramatic moments. The facility is located in a conveniently accessible city brimming with nature. Chuo Park with beautiful green grass, Hyakunen Park with cherry trees and azalea flowers, and the crystal clear Chikugo River are near Kurume Sports Complex. Extensive discussions were held with athletes in order to create the ideal gymnasium complex. To be completed in spring 2018, the renewed gymnasium complex will transform Kurume Sports Complex into the perfect venue for a diverse range of athletic competitions.

The new state-of-the-art gymnasium is a combination of an Arena, Budojyo (Martial Arts Hall), and Kyudojyo (Japanese Archery Range) that is adjacent to the Track & Field and Baseball Stadium. This venue is the ideal training camp location for a variety of sports.

# ARENA

## One of Japan's Largest Main Arenas, Perfect for Various Competitions

This expansive 40m x 64m space has room for three basketball courts. The 3,000 permanent and 2,000 retractable spectator seats that are in close proximity to the courts provide spectators with an enjoyable experience. The air conditioning system also meets stringent requirements for badminton and table tennis. For Judo and Karate competitions, there is space for eight, official size mats. With state-of-the-art features, this facility is uniquely ideal for various competitive sports.

## Flexible Sub-Arena

Adjacent to the Main Arena, the Sub-Arena has space for one basketball court and is the perfect auxiliary space. The very convenient, flexible space can also be transformed into a waiting room for the Budojyo and Kyudojyo.
